
ICSIL CSR POLICY AS PER COMPANIES ACT 2013

1. CONTEXT

ICSIL is committed to conduct business in a socially, economically and environmentally responsible and sustainable manner, which enables the creation and distribution of wealth for the betterment of all its stakeholders, internal as well as external, through the implementation and integration of ethical systems and sustainable management practices. For this ICSIL shall incorporate a balanced emphasis on all aspects of corporate social responsibility and sustainability with regard to its internal operations, activities and processes, as well as undertake initiatives and projects to facilitate capacity building, empowerment of communities, inclusive socio-economic growth, environment protection, promotion of green and energy efficient technologies, development of backward regions, and upliftment of the marginalized and under-privileged sections of the society.

Further pursuant to Section 135 of the Companies Act, 2013, and Companies (Corporate Social Responsibility Policy) Rules, 2014 every Company having net Worth of Rs. 500 crore or more or turnover of Rs, 1,000 crore or more or net profit of Rs. 5 crore or more shall constitute Corporate Social Responsibility Committee (CSR Committee) and the CSR Committee shall formulate and recommend Policy.

The CSR provisions of the Act, Schedule VII of the Act, or the CSR rules are inviolable. However, in addition to the CSR provisions of the Act and the CSR rules, DPE has formulated Guidelines on Corporate Social Responsibility and Sustainability which are applicable to CPSEs. Guidelines do not supersede or override any provision of the Act, or Schedule VII of the Act, or the CSR rules, but will supplement them. It is clarified that in case any perceived conflict between the CSR rules and the Guidelines, the former shall prevail in all circumstances.

DPE Guidelines has mandatory, for all profit making CPSEs to undertake CSR activities as per the provisions of the Act and the CSR rules. Even the CPSEs which are not covered under the eligibility criteria based on the threshold limits of net-worth, turnover, or net profit as specified by Section 135(1) of the Act, but which had made profit in the preceding year, would also be required to take up CSR activities as specified in the Act and the CSR rules, and such CPSEs would be expected to spend at least 2 % of the profit made in the preceding year on CSR activities, The term Sustainability has been used in conjunction with CSR in the title of DPE Guidelines because CSR activities which are envisaged in the Act and in the CSR rules can be supplemented with sustainability initiatives as both aim at achieving sustainable development goals.

The CSR Committee so constituted formulated Policy on Corporate Social Responsibility (CSR Policy) and recommended the same to the Board of Directors of the Company ('Board') for its approval.
